New Visions Secures \$2.0 million in Permanent Funding

Syracuse, N.Y. (January 26, 2009) New Visions PLC, Inc. a provider of affordable high-speed broadband solutions, announced today that it has raised an additional investment of \$2.0 million. Pinnacle Investments, LLC was the investment firm that helped in the raise. This injection of capital enables New Visions to fund present initiatives and future growth.

Carmen N. Branca, Jr. President of New Visions commented, "This investment has come during very difficult economic times. The fact that we were able to over subscribe our offering sites the confidence our investors have in New Visions and our vision to bring affordable high-speed broadband services to rural areas. The cash infusion positions New Visions to expand its business market and affords it the necessary flexibility allowing New Visions to use the investment to fund current and future business activities."

Branca added, "We are at a critical time as a nation. President Obama has stated that affordable high-speed broadband to rural areas of our country is a top priority. Under his economic stimulus plan, \$7.2 billion has been allocated to insure that everyone in the United States has access to broadband services. New Visions whole heartedly supports the Presidents efforts as we believe high-speed broadband is the infrastructure of the 21st century. High-speed broadband is no longer a luxury, but a necessity."
